

Account Set Up

What You Need to Get Started

There are two ways to get started and create a TurnItIn account:

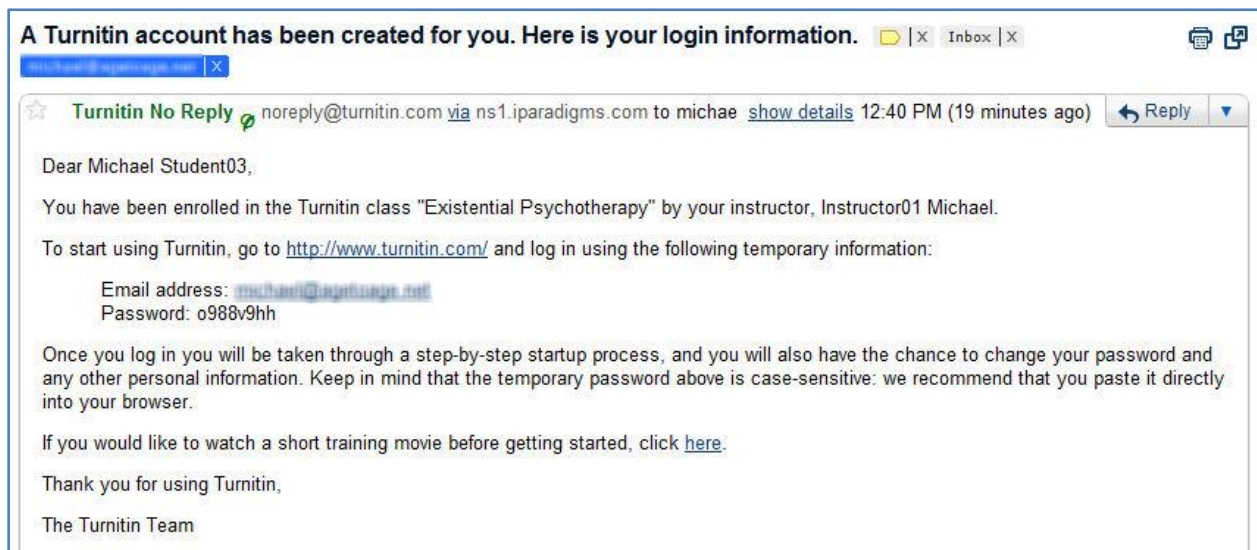

1. Your professor enrolls you and sends you an email that contains your email address and a TurnItIn password.

or

2. Your professor gives you a class ID and password and you create the account yourself.

Account Set Up #1-Professor EMAIL

1. After your professor enrolls you in the class, you will receive an email from **TurnItIn No Reply**.
2. Open the email. It should look something like this:

3. Note the email address and the password, then click the www.turnitin.com link.
4. The TurnItIn home page appears. In the upper right hand corner, enter your email address and the password you received in the email.

5. Click **SIGN IN**.
6. The **Welcome to Turnitin!** screen appears.

Welcome to Turnitin!

You have been added as a student to the account **Existential Psychotherapy**.

Before you can get started, we want to confirm your user information and give you the chance to change your password. Please feel free to change your password or any other information as needed. Keep in mind that your password must contain at least one letter and one number.

When you are done, click "next" to continue.

Congratulations! You have created your account. If your professor has created assignments, you are now ready to skip ahead to the section called: **Submit a Paper**.

Account Set Up #2-Create Your Own Account

To create your own account you must have:::

1. A ClassID number, and
2. A Class Password.

Once your instructors has provided these you can proceed with the following steps.

1. Open a web browser and go to **www.turnitin.com**.

2. On the screen that appears, in the upper right hand corner, click **Create Account**.

The screenshot shows the Turnitin homepage. At the top left is the Turnitin logo. In the top right corner, there are two input fields: 'Email' and 'Password'. Below the 'Email' field is a red-bordered box containing the text 'Create Account', which is circled in red. Below the 'Password' field is the text 'Retrieve Password'. To the right of these fields is a red 'SIGN IN' button. Below the input fields is a navigation menu with tabs for 'PRODUCTS', 'RESULTS', 'CUSTOMERS', 'TRAINING', and 'SUPPORT'. To the right of the navigation menu is a search bar with 'Google Custom Search' and a 'Search' button. In the bottom right corner, there is a language selector set to 'English'.

3. Open the email. It should look something like this screen.

The screenshot shows the 'Create a User Profile' page on Turnitin. At the top left is the Turnitin logo. In the top right corner, there are two input fields: 'Email' and 'Password'. Below the 'Email' field is the text 'Create Account', and below the 'Password' field is the text 'Retrieve Password'. To the right of these fields is a red 'SIGN IN' button. Below the input fields is a navigation menu with tabs for 'PRODUCTS', 'RESULTS', 'CUSTOMERS', 'TRAINING', and 'SUPPORT'. To the right of the navigation menu is a search bar with 'Google Custom Search' and a 'Search' button. In the bottom right corner, there is a language selector set to 'English'. The main content area has the heading 'Create a User Profile' and a sub-heading 'Have You Ever Used Turnitin?'. Below this is a paragraph of text: 'If you've used Turnitin before, you can use the same email and password to log in. You can keep all your papers and grades together, even if you're now in a different class or a different school!'. Below the paragraph are two input fields: 'Email Address:' and 'Password:'. Below the 'Password:' field is a red 'SIGN IN' button. Below the 'SIGN IN' button is a link 'Forgot your email or password?'. Below the link is the heading 'Create a New Account' and a paragraph: 'Please select whether you will be using the service as an instructor or a student.'. Below the paragraph is a list of three options: 'student', 'instructor', and 'teaching assistant'. The 'student' option is circled in red.

4. Click **Student**.
5. The **Create a New Student Account** screen appears.

Create a New Student Account

class ID information

All students must be enrolled in an active class. To enroll in a class, please enter the class ID number and class enrollment password that you were given by your instructor.

Please note that the password and pincode are case-sensitive. If you do not have this information, or the information you are entering appears to be incorrect, please contact your instructor.

class ID

class enrollment password

user information

your first name

your last name

email address

6. Enter the **Class ID** and the **Password** your instructor provided.
7. Enter your first and last name and your email address. If necessary, scroll down to see additional fields.

password and security

Please keep in mind that your password is case sensitive (for example, paSS123 would be different than pass123), must be 6-12 characters long, and contain at least one letter and one number (for added security).

Enter an email address and password you can easily remember. Please write down your email address and password for future reference.

enter your password

confirm your password

Next, please enter a secret question and answer combination. You will be asked for this combination if you ever forget your password and need to reset it.

secret question

question answer

8. Enter your password and then re-enter it in the **confirm your password field**. Pick a secret question from the drop-down list then type in your answer. If necessary, scroll down to see the last part of this screen.

user agreement

Please read our user agreement below. Select "I agree" to complete your user profile.

User Agreement

Turnitin.com and its services (the "Site" or the "Services") are maintained by iParadigms, LLC ("iParadigms"), and offered to you, the user ("You" or "User"), conditioned upon Your acceptance of the terms, conditions, and notices contained herein without modification (the "User Agreement").
