Student Release Form for Photographs and Videotaping

Dear Parent/Guardian:

The Healthy U at the U Program staff would like to create a series of photographs and video recordings to display the benefits of the summer participation in this program. The intent of the photographs and videos is to document the educational benefits of participation in sports, physical activity and classroom learning activities that encourage healthy behaviors. In the course of the taping or shooting photographs, your child may appear in the tape or photograph. The videos and photos will be used only as a means to visually record the activities provided in this program and will not be sold for commercial profit. **PARENTS MUST CHECK I DO GIVE OR DO NOT GIVE PERMISSION ON THIS FORM AS WELL AS THE REGISTRATION CARD.**

Sincerely, Gary Sanchez
Activity Director
